# Grab Hold of Your *Best Bus* Opportunity!

Partnering with Best Bus Sales makes finding the right bus a snap. Our experienced Sales Staff will connect you with the vehicles that have the features you need, and provide information for options, customization, and comparison. Order factory-new or browse our extensive selection of inventory, or customize *any* bus to spec. And as a Best Bus Sales Customer, our professional Support Staff is always available to answer your questions and update your service status.

## *Purchase or Lease — Options & Features to Consider:*

### *Leasing & Financing*

- ★ **Evaluate Lease Options:** Lease options are available with little or no down payment and manageable monthly premiums. Consult your Sales Associate.
- ★ **Flexible Financing:** The financial partners of Best Bus Sales are equipped to provide funding for most businesses and organizations.

### *Construction Features*

- ★ **Construction/Safety:** Steel reinforced cage offers the highest level of crash & roll safety.
- ★ **Operation and Maintenance Costs:** Properly equipped vehicles can save thousands of dollars in operating costs; Best Bus Sales can help maximize your ROI.
- ★ **Value:** Compare features and construction with similar vehicles of the same size and class. Consider their resale value.

### *Fleet Management Solutions*

- ★ **Records:** Maintain vehicle records: purchase & repair cost, mileage, etc.
- ★ **Emergencies:** A toll-free Emergency Hotline is provided for emergency repair and answers to repair questions.
- ★ **Vehicle Maintenance:** Scheduling of all maintenance, warranty service, and repairs for several vehicles or an entire fleet of vehicles.

### *Custom Options*

- ★ **Interior Options:** Custom upholstered fabrics and trim; hi-tech audio/video with LED lighting and accents; beverage centers with refrigerator & sink; 3-point seat belts; passenger amenities.
- ★ **Mobility:** Wheelchair lift installation is available on most vehicles, including tie-down restraints, ramps, and ancillary safety equipment.
- ★ **Seating:** Custom seat upholstery and installation; all sizes and makes; custom seating plans including tables and accessories.
- ★ **Storage:** Rear luggage offers the best capacity on mid-size vehicles; overhead storage adds convenience and can be installed on most buses.

### *Green Alternatives*

- ★ **Alternative Fuels:** Hybrid, CNG, & LPG system sales & installation.

### *Cost of Ownership*

- ★ **Reliability:** All vehicles require maintenance. Make sure your dealer can service its products.
- ★ **Warranty:** All warranties are not the same. Compare specific terms and conditions.

Best Bus Sales is an authorized dealer for the following manufacturers:

*Federal Coach*

*Krystal Bus*

# World Class Service—Under One Roof

**SALES & LEASING:** Our experienced Sales Associates can help identify your vehicle needs and place you in the perfect vehicle. Leasing and flexible financing is made possible through our network of financial partners.

**SERVICE & PARTS:** A crew of ASE certified technicians help keep your vehicles out of the shop and on the road. From simple maintenance to major repairs, vehicles are returned to service with minimal downtime. *Fleet Management Plans* are available to help track and control operating costs.

**PAINT & BODYWORK:** Body restorative technicians and frame repair specialists restore vehicles to *as-new* condition; painted panels are precision color matched. Repair estimates are carefully diagnosed to ensure your satisfaction, not only the insurance company.

**GRAPHIC SERVICES:** Graphic design, eight-color printing and vinyl cutting; graphic-wrapped vehicles (*wraps*) with 3M® vinyl are installed by 3M® *Certified Technicians*. Digital LED message centers for identification, advertisement, and branding.

# Mobility Vehicles

Wheelchair and Low Floor Buses

## Low Floor Stepless Buses

Popular with commercial transit buses, Low Floor buses gently lower the entire carriage to near ground level, providing access to wheelchairs and walkers without need for a wheelchair lift. Now available in medium-size charter buses, the Low Floor bus has changed the perception of boarding a bus!

## New Technology Wheelchair Lift

The automatic vertical door design of the KSIR wheelchair lift provides overhead shelter from inclement weather for wheelchair passengers.

The KSIR 230 12+2 (below) is available with seating options for additional wheelchair positions; consult

Best Bus Sales at (866) Bus-Sale.

# Bus Refurbishing

Available for all sizes and brands.

## Complete In-House Bus Refurbishing

Transit and charter buses benefit from our *Best Bus Refurbishing process* which extend their useful service life for a fraction of the cost of replacement.

Engine and transmission overhaul are the basics for sound mechanical rejuvenation, but without addressing cosmetic deficiencies, even mechanically sound vehicles remain dilapidated.

Our Best Bus Refurbishing process is a complete solution, replacing worn parts and part

assemblies; reupholstering seats and interior walls & ceiling; and flooring replacement.

The exterior is repaired, refinished, and repainted by our autobody specialists.

Refurbished Gillig LF for United Airlines.
